HÉLIO ANTÔNIO BORGES JUNIOR

Full Stack Rails Developer

helio.borgesjr@gmail.com | +55 62 992484169

Goiânia – GO, Brazil

PROFESSIONAL SUMMARY

I have worked with Ruby on Rails since 2008, leading many projects (administrative systems) in the public sector in Brazil. I own a company that sells courses for banking certifications. I am married and have a little baby girl.

I am enthusiastic about learning new technologies. Skilled in working under pressure and finding solutions to challenges.
I adapt to any working environment and contribute to their existing culture.

SKILLS

- Full Stack Web Development
- Software Engineering
- Team Leader
- Customer Support Expert
